# Preface

This set of files can be used to create your typescript in L<sup>A</sup>T<sub>E</sub>X. You can add packages as necessary.

Remember that references need to be at the chapter level and you may find the package **chapterbib** useful for this.

# About the Author

Remember to include a brief biography of the Authors or Editors, including a photo.

# Contributors

**Peter Jones**

Department of Physics  
University of New England  
Acadia, Maine, USA

**Simon Smith**

Department of Electrical Engineering  
University of Oxbridge, Camford, USA
