Preface

This set of files can be used to create your typescript in \LaTeX . You can add packages as necessary.

Remember that references need to be at the chapter level and you may find the package `chapterbib` useful for this.

About the Author

Remember to include a brief biography of the Authors or Editors, including a photo.

Contributors

Peter Jones

Department of Physics
University of New England
Acadia, Maine, USA

Simon Smith

Department of Electrical Engineering
University of Oxbridge, Camford, USA
